NEVADA HOSA PIN DESIGN CONTEST

State Pin Design Contest

Every year Nevada HOSA creates a state pin used as the State Leadership Conference pin and as the official trading pin for the state during the International Leadership Conference. Members are encouraged to create a pin design that captures Nevada, the state/national theme, and/or the ILC destination. The winning design for Nevada HOSA will be selected by the State Officers and Management. The criterion for the pin design is listed below:

2026-2027 Theme
"Redefine the Standard"

1. The design may be created in any shape. It must identify Nevada and HOSA somewhere in the design.
2. The design can be submitted in full color. Nevada HOSA reserves the right to use more or less colors during production of the winning pin.
3. The national logo may be used but not changed.
4. Submitting a design for the state pin releases all rights for the winning design to Nevada HOSA for marketing purposes.
5. The design must be developed by a current Nevada HOSA member. The member does not need to be present at the conference to be selected as the winner.
6. The winner will receive 25 pins at the State Leadership Conference.
7. Submitted designs may suggest the inclusion of blinkies, glitter, bobbleheads, or other highly advanced features. The management team may suggest adding features when the pin is sent to production and will work with the artist to incorporate if possible.
8. Designs must be submitted in a PDF format and be less than 10 MB in size by December 1, 2027, they must be submitted online by the deadline.

The state officer team has the right to not submit any design that does not fulfill the mission of HOSA.

Designs should be uploaded here:
