

TIMELINE

March 1-5: Registration window

April 12: Materials due in the competitive event portal by 6:00pm

April 29: Awards Session!

GUIDELINE MODIFICATIONS

- Some of the content in the all/none section of the rubric was removed such as official portfolio and copies and lamination.
- All competitors/teams will record a video of their presentation for judges.
 - Very specific directions for the Recorded Video Presentations have been created. Read this information in detail [HERE!](#)
- Competitors will also submit 1-3 photos of their display. The photos the competitors take are at their discretion, and should highlight the display in the best possible way.
- Competitors will submit: 1) Video of presentation; 2) 1-3 photos of Display; and 3) Reference Page
- Competitors will upload their materials to the Health Career Display event in the competitive event portal.
 - Only **ONE** teammate will need to upload the required materials to Cognito.
- Uploads must be completed by April 12 at 6:00pm. The uploaded materials are what the judges will use to score competitors.
- If you do not upload your team materials, there is no content to be judged, therefore no score will be given. Judges will receive materials on April 13, so if you miss the April 12 upload deadline your material will not be sent to judges.
- Pro Tip: Don't wait until the last day to upload! Try to upload your materials before the deadline. If something goes wrong, you have time to troubleshoot!

TECHNOLOGY NEEDS

- Teams will need to upload their materials to the online competitive event portal (Cognito) – a smartphone, tablet, or computer are needed to upload.
- If you have any issues uploading, please email Nevada HOSA well before the April 12 deadline, at associatedirector@nevadahosa.org

DRESS CODE
