What the officers did this summer!

Our Northern Region Vice President traveled to India! She had a lot of fun visiting and exploring her hometown!

Our Southern Vice President went to Atlanta, Georgia. She was excited about the architecture and change of scenery.

Our Secretary stayed local for the summer! He enjoyed some much-needed break from school by catching up on sleep and video games!

... and this year's theme is ...

This year's theme encourages you to grow and break the barriers of all limits! We hope that along the journey, we can help each other through the our obstacles and continue to better ourselves. When life gets challenging, we wish you the strength to go "Beyond All Limits."

Farewell, Ms. Kinnunen!

We would like to extend the warmest congratulations to Ms. Kinnunen! For the past five years, Ms. Kinnunen has served as the Nevada HOSA Associate Director. Before that, she served as an advisor at Rancho High School! Ms. Kinnunen has been given a great opportunity to serve other students and their CTSO community. With that, she will be leaving behind Nevada HOSA. Although we are saddened by the news, we know Ms. Kinnunen will thrive in her new position, and we wish her the best of luck! We thank you for all that you have done for our students, community, and Nevada HOSA!
