Nevada HOSA does not discriminate against any person on the basis of race, color, national origin, sex, disability and age, and that they provide equal access to Nevada HOSA.

Guest Speakers

Dr. Dustin Christensen-Grant, PharmD, BCPS **Director of Admissions & Enrollment, College of Pharmacy,** **Roseman University of Health Sciences**

Dr. Christensen-Grant is a North Carolina native that obtained his bachelors in Biochemistry from the University of North Carolina at Greensboro and his Doctorate of Pharmacy from Wingate University. He completed two years of residency with Indiana University Health and the University of Texas at Austin specializing in Internal Medicine. He has been with Roseman University since 2014 and has a passion for student mentoring and success. PGY2 Internal Medicine residency with The University of Texas at Austin and Seton Healthcare Family in Austin, Texas.

Keynote Speaker **Echezona Ezeanolue, MD, MPH**

Echezona Ezeanolue, MD, MPH is a clinician-scientist whose research focuses on implementation science to enhance effectiveness and quality of health services. He is current MPI for the Accelerating Cervical Cancer Elimination through the integration of Screen-and-treat Services in Nigeria (U01CA275118) and Program to train and strengthen the ability of UNN research administrators and HIV implementation practitioners to submit and manage successful HIV grant (G11TW011841). Board certified in Pediatrics and Infectious Diseases, Dr. Ezeanolue served as the Director of the

HRSA funded Nevada Comprehensive Maternal-Child H IV program in Las Vegas (H12HA24832) for over a decade. He has broad experience in implementation science, program evaluation, clinical trials and effectiveness research. He has served as PI or Co-investigator on >25 funded projects in the United States and Nigeria. Baby Shower Trial (R01HD075050; recruited 6,000 women across 40 sites); iSTAR Trial (R01HD089871; recruited 10,000 women across 80 sites); and the Point-of-Delivery Prenatal

Test Results through mHealth to Improve Birth Outcome (R21TW010252; implemented across 25 sites). Dr. Ezeanolue is professor of pediatrics, epidemiology and infectious diseases at the University of Nigeria where he leads the UNN Center for Translation and Implementation Research (CTAIR), the Nigeria Implementation Science Alliance (NISA) and ICON-3 Research Network that supports the 12 Model Innovation and Research Centers (NISA-MIRCs) across the six regions of Nigeria and Regional Centers of Excellence. Dr Ezeanolue is Vice-President, HealthySunrise Foundation, USA and served in several national committees in the United States including the Advisory Committee for Immunization Practices (20015-2019); American Academy of Pediatrics Committee on Pediatric AIDS (2015-2019); NIH study section (2015- 2018) and Patient Centered Outcome Research Institute (2012-2015). He has been recognized as Nevada Public Health Leader of the Year (2007), Nevada Health Care Hero (2008), Outstanding Research Mentor (2009) and AAP Local Hero (2010) for his contributions to public health.

Health Science & Leadership Certification Program

HOSA Members can earn a Nevada HOSA Health Science & Leadership Certification by attending at least three symposiums throughout the conference. Completed verification forms should be turned into your advisor before you depart home!

Competitive Event Reminders

Competitors are responsible for their own supplies, including pencils for testing. Competitors must bring their event guidelines to the testing session. If there is no test in your event, please bring guidelines to the skill portion. Guidelines may be paper or electronic. The top three finalists in each event are eligible to compete at the National Leadership Conference.

Stay Safe!

Use caution and travel in groups when outside the conference facilities. Students should not loiter in the gaming area of the hotel. Make sure your advisor is informed of where you are and what you are doing at all times!
