## ILC Registration And Substitutions

The ILC Registration deadline is 5-15-2023. Register through you chapter log in. Scroll down to Conferences and then click on the 2023 ILC card.

Registration fee for NVHOSA is \$125.00. This registers them for their competitions. They may also choose **ONE** free Cengage ATC test as part of that registration. Additional tests may be taken for \$20.00 each. The one free one will show as \$20.00 but will come off after you save that registration. They will also receive 5 trading pins and a spirit item.

The substitution policy for the ILC is as follow: 25% of the original team must be registered for the event. We will not change the name on the List of SLC winners. You just add your substitutes to your chapter registration.

Each attendee will need to complete an ILC Code of Conduct and a Medical Liability Form. These are on the NVHOSA website under Event ILC.

We look forward to seeing you at the ILC and representing Nevada HOSA!

## Tallo Reminders:

May 15th is the National HOSA deadline tfor your digital uploads to Tallo. Be sure to review your event guidelines and upload the correct items in the correct format by the required people.

Please don't wait until the due date. If the system is busy or you have a problem, you have no time to correct it. When you log in go to the ILC Opportunities and find your event. **REMEMBER: STATE REQUIREMENTS MAY BE DIFFERENT FROM ILC.**

Be sure your members have an email that they have access to in the summer.

They will receive information regarding their event by their email.

## ILC 2023 Hotel Reservations

The ILC 2023 Hotels are listed on the HOSA.org website <https://hosa.org/travel/>

-There will be bus transportation from each overflow hotel to the convention center for your convenience.

-You will pay the hotel directly for your room reservations.
