STARTING A CHAPTER

Over 2,300 members in nearly 40 chapters across Nevada have made the decision to join HOSA and become Future Health Professionals! How can you start a HOSA chapter at your school?

Requirements. To start a HOSA chapter, identify a faculty member to serve as the chapter advisor and recruit at least **five** members interested in pursuing careers in health care.

Affiliation Process

Get started today! Just follow these steps:

1. Contact Nevada HOSA Chapter Support at 520-820-5840 or Hello@nevadahosa.org and indicate your interest in starting a HOSA chapter!
2. Decide which method your program will use to organize one or more HOSA chapters. The options are:
 - a. **Classroom-based chapter.** A HOSA chapter is formed for each health science class of five (5) or more students.
 - b. **Instructor-based chapter.** A chapter is formed by one health science instructor for all students enrolled in his/her classes.
 - c. **School-based chapter.** A single chapter is formed for all students in all classes regardless of the number of teachers.
3. Contact local school/college officials (e.g., activity directors, Dean of Student Activities) and inform them about starting a HOSA chapter. There may be additional rules, regulations, or approval processes to fulfill in order to start a HOSA Chapter. This is also a great opportunity to educate school officials about the benefits of HOSA.
4. Complete the Online Chapter Affiliation Application.
5. Elect chapter officers and develop a Program of Work.
6. Set up a school visit by the state officers to help guide your chapter into the world of HOSA!

Eligibility

All members registered by the Nevada HOSA ILC deadline are eligible to attend ILC.

For competitive events, Nevada HOSA sends the top three competitors/teams in each event to compete at ILC. To be eligible to compete, chapters must complete every step in the Registration Process, including the Intent to Compete Form and Online Conference Registration.

ILC Registration Process

Nevada HOSA publishes an ILC Registration Guide each year, which serves as a guide for preparing for ILC. **Although the National HOSA provides registration information and deadlines, it is important to adhere to Nevada HOSA's process to be eligible to attend.**

May 12, 2025, is the Nevada HOSA ILC Registration deadline. This is three days before National HOSA's deadline to allow state staff to assist and confirm registration. *If completed after this deadline, NV HOSA Staff will not be able to assist with registration.*

State Winners List: Following the State Leadership Conference, Nevada HOSA publishes the list of winners. The top three individuals or teams in each event are eligible to compete at Internationals. However, if a competitor decides not to attend ILC, Nevada HOSA will move up

to the next competitor. This means that members placing 4th or 5th could still have an opportunity to compete at nationals.

Intent to Compete: All top five winners in all competitive events must submit an Intent to Compete form. This form serves as official notification to Nevada HOSA regarding a competitor.

- Every competitor who received 1st, 2nd, 3rd, 4th, or 5th place MUST complete an Intent to Compete form, even if the competitor(s) will not attend ILC. Any forms not received by the Intent to Compete deadline will be assumed to be a "No, will not attend" response.

Intent to Compete Deadline: March 19, 2025

ILC Competitor Notification: All Intent to Compete Forms will be processed, and chapters will be notified with a final ILC Competitor List. This list will be published on the Nevada HOSA website at www.nevadahosa.org.

ILC Competitor Notification Release Date: March 26, 2025

ILC Online Registration: The Nevada HOSA ILC Registration Guide will provide the steps to register for the conference. Although National HOSA provides registration information and deadlines, adhering to Nevada HOSA's process is important. Chapters are responsible for registering students for events and confirming chapter details. Registration must be completed by the Nevada HOSA deadline, as a validation process takes place immediately after the deadline.

ILC Registration Payment: Registration payments should be directed to Nevada HOSA. Please make checks payable to Nevada HOSA and mail check to:

STATE PROGRAMS AND OPPORTUNITIES

Chapter Visits

Having a state officer visit a local chapter connects state officers with local members while giving the state officers an opportunity to promote state and national conferences, programs, and initiatives. State officers can discuss a particular event, explain HOSA to a new chapter, and encourage students to get involved. Oftentimes chapters can connect with a state officer's passion, excitement, and commitment to HOSA and use it to foster those same feelings in their chapter. To schedule a visit, go to this link: <https://nevadahosa.org/request-a-chapter-visit/>
